JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 23 February 1972

1. (Confidential - JMM) Received a call from Miss Kotarbo, secretary to Mr. William Loeb, publisher of the Manchester Union Leader, confirming a meeting in Mr. Loeb's office with Miss Jessie Gill and Mr. Loeb (or in his absence, Mr. Tracy, managing editor, or Mr. Buckman, executive editor of the paper) with Agency representatives on Friday, 3 March, at 3 p.m.

2. (Secret - JMM) Talked to Carl Marcy, Chief of Staff, Senate Foreign Relations Committee, who said the conference on bills regarding the Radios was meeting today and he guessed they might adopt the Case bill which would keep the Radios in business until the end of the fiscal year. I told him the study he had requested regarding the possible termination cost of the Radios was being updated and would be ready next week. I said when it was completed we would have no objection to it being made available to the Committee via the State Department, and assumed that the State Department would probably have no objection. Marcy asked whether the study had been prepared on the basis of an Agency decision that the Radios perhaps should be terminated. I said there was never any feeling in the Agency that they should be terminated, but because of some congressional developments awhile back we thought it only prudent to examine what the practical problems would be if termination was forced upon us.

3. (Internal Use Only - JMM) Met with Russ Blandford and Frank Slatinshek, House Armed Services Committee staff, regarding Chairman Nedzi's request for an Agency witness to appear in connection with H. R. 9853, establishing a commission on classification and protection of information. See Memorandum for the Record.

4. (Internal Use Only - JMM) Called Miss Mary Shinkwin, Secretary to Senator John V. Tunney (D., Calif.), to say that Mr. David Silver of the Mirisch Corporation, about whom Senator Tunney had written the Director, should call Mr. Angus Thuermer in connection with his interest in getting some footage of the CIA building in connection with a film.

5. (Secret - JGO) Met with Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and gave him a blind memorandum dated 23 February on "The Cost of Soviet Occupation Forces." This is in response to a question raised in yesterday's meeting with Mr. Slatinshek and members of the House Armed Services Committee staff.

6. (Internal Use Only - LLM) Called Jay Sourwine, Chief Counsel, Senate Internal Security Subcommittee, to tell him that we had not picked up any statement by Fidel Castro over the weekend referring to "Ceasar Chavez - my comrade," but the possibility exists that such a statement was made and we will be on the lookout for it for him. Mr. Sourwine said he would appreciate this.

7. (Internal Use Only - LLM) Called Bob Vagley, Director of the Labor Subcommittee, House Education and Labor Committee, and he told me he expected the conference committee to meet on S. 2515, Equal Employment Opportunities Enforcement Act, on Monday or Tuesday of next week and that the managers on the part of the House most likely would consist of the membership of the Labor Subcommittee. It was agreed that we would meet as soon as possible (he will be out until Friday) concerning the amendments we would like the conferees to use. He said that if he was absent, Tom Hart, of the Subcommittee staff, would be helpful in setting up a meeting with Representative John Erlenborn (R., Ill.), Ranking Minority Member, and other members whose support he thinks may be important.

8. (Internal Use Only - LLM) Received a call from Mr. McEwen, in the office of Senator Sam Ervin (D., N. C.), for a China Atlas. I told him that we would be happy to provide an atlas to the Senator and would do so, but that we did not have sufficient supply to satisfy all constituent requests. Mr. McEwen seemed to appreciate this and in connection with subsequent requests, said they would have no problem in merely stating that they had had only one copy of the atlas which they had already given away.

Subsequently, I spoke to Messrs. Angus Thuermer, [redacted] and John Kerry King, suggesting that we might make the atlas available to the depository libraries through the Library of Congress, thereby providing greater access to the atlas for the public at large, which would be helpful in responding to the run-of-the-mill requests for a copy of the map. Mr. King said he would be investigating this along with a number of other possibilities and would let us know the outcome.

(Unclassified - LLM) In response to his earlier call, left a message for Mr. Stark, in the office of Representative Augustus Hawkins (D., Calif.), to call me in connection with his request for information on maps or atlases which would be available to him, in which he had indicated special interest in Africa.

12. (Unclassified - SMG) Sally Foulin, in the office of Senator Lee Metcalf (D., Mont.), called and asked if they could be provided with two copies of the China Atlas. I told her someone would be by to drop them off.

13. (Internal Use Only - RJK) Delivered to the offices of Senators Edward Kennedy (D., Mass.), Edmund S. Muskie (D., Maine), J. W. Fulbright (D., Ark.) and Representative Dante B. Fascell (D., Fla.) FBIS items in which their names were mentioned.
